One goal of the **Liz Terwilliger for Congress** campaign is to increase public engagement in conversations about issues that affect our freedoms. September 17-19, 2021, the LT4C campaign committee is hosting **Perspectives on Freedom: An American Values Forum** where guest speakers and members of the public can converge on a variety of topics via moderated break-out discussion sessions.

Although we share many values, people feel marginalized, unheard in our polarized political space. The variety of perspectives that come from diverse life experiences are lost in red versus blue dialogue. Perspectives on Freedom will be a “reverse town hall” style event, featuring facilitated open and respectful discussions.

LT4C campaign committee will consider proposals for two-hour discussion sessions. Individuals of all ages, backgrounds and locations are encouraged to sign up to participate as a discussion leader/moderator on a topic of your choosing. Proposal forms must be completely filled out and returned with a summary (100 words or less) describing the topic and rationale for the session. If there is more than one discussion leader/moderator, a primary person must be designated who will be the contact for the proposal. Contact information for all proposed discussion leaders/moderators must be provided.

**Submissions:** mail to Liz Terwilliger for Congress, PO Box 83, Warren Center, PA 18851

**Submission Deadline:** The proposal form and summary must be received by LT4C campaign committee on or before **June 30, 2021**. Incomplete submissions will not be considered.

**Notifications:** Confirmation of session proposal acceptance/declination and confirmation of specific date and time of accepted session will be sent by August 1, 2021.

In offering to lead a session at the Forum, it is expressly understood that the session may be scheduled at any time on any of the Forum days at the discretion of the event organizers.

Session leaders will be expected to provide all handouts at the Forum. In addition, handouts must be made available to the LT4C campaign committee for posting on the event website.

**Forum Registration:** Session leaders do not have to register for the Forum to lead their session, however they must register to attend any sessions for which they are not moderators or discussion leaders.
